A Message from the President...

Established in 1973, Accutronics, Inc. began providing the most innovative products to the business communities of San Antonio and South Texas. Providing only carefully selected products in such a professional manner has enabled our company to continue to grow and expand our markets over the years. We now provide products and service to more than 10,000 customers in Texas and beyond.

As high technology products and new systems unfold at a very rapid pace, we are careful to select only those products from which our customers can benefit. We constantly monitor these products in order to offer only the best in quality and proven technology.

Because we now offer this wide array of proven products and services, we invite you to come by any one of our facilities and let us show you how we are serious we are in making you our number one priority.

Respectfully yours,

M. P. Garza, President

2000 Series Heavy Duty Manual Time Recorder

With the same features and rugged construction found in Lathem's 4000 Automatic Time Recorder, the 2100 uses manual activation, and a spring loaded print mechanism for instant registrations. The 2100 is fully guaranteed against defects in materials and workmanship for 1-year. UL Approved. Made with pride in the USA.

Features

- The unit's rugged design can withstand high-volume use or harsh environments.
- The heavy-duty synchronous motor ensures time accuracy.
- The precision coined steel type wheels offer smooth reliable operation.
- The two-color ribbon self-reverses at end of spool for longer life.
- The large analog clock display is easy to read even from a distance.
- The steel case and key-lock provide a durable and tamper-proof installation.
- Prints the day of week and time in large easy-to-read characters.
- Works with all standard right-hand time cards.
- Mounts conveniently on a wall or table.
- Fully guaranteed for one year against defects in material or workmanship.
- Made with pride in the USA.
- Ensures compliance with Federal Wage and Hour Laws.
- Tracks employee time for payroll.
- Tracks task time for accurate job costing.
- UL and CSA approved.
