## *Amano TCX-21 Time Clock*

### **A great time clock at a great price.**

The Amano TCX-21 Electronic Time Clock is one of Amano's most popular time clocks. Easy to use and with the convenience of electronics. Punches time cards automatically or manually. Perpetual calendar keeps it on the right date and time without having to reset for daylight savings, etc. It features a large analog clock display, a digital time display and a light for accurate print registration. The Amano TCX-21 also has the option of adding a rechargeable 12V operations battery (normally operates for one week or 5000 prints).

### **Amano TCX-21 Features:**

- Analog clock face
- Digital year, month, and date display
- Cartridge ribbon for easy change
- Quartz accuracy
- Secure key cover lock
- Perpetual calendar
- Automatic daylight savings adjustment
- Large, lighted print window
- Optional Built-in battery backup retains clock memory during power outages [TCX-22]
- Automatic or manual printing
- Wall or table mount
- Selectable print options: AM/PM or military (0-23) time - minutes, 10ths or 100ths

### **Benefits:**

- Easy to use, accurate, efficient
- Accurate time recording for small business
- Replaces manual time sheets, eliminating costly errors
- Can be used as time and date stamp
- One year warranty
